ABOUT CREAMERY PICNIC

In 1907, over 50 local dairymen formed a cooperative creamery in Stevensville, with manager John Howe establishing the creamery's "Gold Bar" butter and ice cream as one of the state's outstanding dairy products. When a fire gutted the creamery in June 1911, Howe told the community that if they could rebuild the business in 30 days, he would host the biggest celebration they had ever seen. They came close to the deadline (39 days), and Howe stuck to his word. There were public speakers and a free lunch, which included "Gold Bar" ice cream and butter, and all of the buttermilk the participants could hold. Since then, the annual Stevensville Creamery Picnic remains a part of Stevensville's heritage, and is always held the first weekend in August. Creamery Picnic is where our community connects; guests come together for an experience unlike anything else. Now is the time to get in on the action and see for yourself what everyone is talking about.

FROM THE CIVIC CLUB

Welcome to the 107th Annual Creamery Picnic! I would like to express a huge thank you to our Creamery Picnic Committee. Their time and effort working to put this year's event together, is a testament to the spirit of Civic Club and our mission. Please enjoy our events at the Lewis and Clark Park and the Stevensville Downtown area. The Stevensville Civic Club will use funds raised at Creamery Picnic to benefit community projects such as Boy's State, Girl's State, various project support requests and a downtown tree project to protect and care for the trees downtown that line the streets and the tree wells they are in that are in need of repair. Future Christmas decoration lighting possibilities are in the works too. Please enjoy this community tradition in its 107th year!

Joan Prather, President
Stevensville Civic Club

FROM THE MAYOR

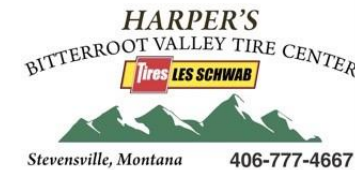

Welcome to Stevensville's Creamery Picnic! In the beginning, this event was one that celebrated our community's resilience and ability to overcome devastating loss. Today that sentiment remains true, and there's no better time to celebrate the heart and soul of our community than at Creamery. The Civic Club and Creamery Committee have put together a great event for you this year, where Stevensville is the venue and tradition is celebrated!
